> The many friends of Prohibition will rejoice that Kentucky Legislature passed the National Prohibition amendment Monday of this week by an overwhelming majority. We were in hopes that Kentucky would be the first state in the Union to pass this amendment as she was the greatest whisky state, but Mississippi was the first. Her Legislature passed it within 15 minutes after it came up. My! but how the Courier Journal will how! and rage over the passage of this amendment We congratulate our editor that he is using his paper with such ore in behalf of Prolocision.
